

Healthcare Philanthropy Conference

JANUARY 14TH - 15TH, 2019 | THE ROYAL OVER-SEAS LEAGUE | LONDON, ENGLAND

Join Accordant Philanthropy President, Betsy Chapin Taylor, and Senior Principal Andrew Watt on January 14th and 15th at the Royal Over-Seas League in London for a series of invigorating and educational workshops dedicated to advancing healthcare philanthropy. Accordant Philanthropy is one of the leading health care philanthropy firms in the United States, so our offerings in Europe are enriched by our full resources in the U.S. However, this experience will be tailored to the unique needs and opportunities of nonprofit leaders in the U.K.

Betsy Chapin Taylor, FAHP

Betsy is an award-winning author, speaker and consultant on health care philanthropy drawing on 25 years of experience in the philanthropy field including 17 years as chief development officer and foundation president in academic, community, children’s and religious health care organizations. Betsy specializes in the leadership engagement of CEOs, foundation board members, governing board members and physicians as well as advancing work in niche areas including levers to creating the high-performance development program.

Betsy is a faculty member for the American College of Healthcare Executives, and her work has also been featured in national trade publications for philanthropy and health care management including *Healthcare Executive*, *Trustee*, *H&HN Daily*, *The Chronicle of Philanthropy*, *Healthcare Philanthropy Journal*, *Chief Executive Officer*, *Modern Healthcare* and more.

Andrew Watt, FInstF

Andrew has served as a passionate leader and advocate for the social and philanthropic sectors for more than 25 years. He contributes thought leadership in the field of health care philanthropy and provides a strong and adaptable presence to better meet the needs of our international clientele. Andrew has significant experience creating successful coalitions in complex and challenging multinational environments. He comes from a robust international background in public policy development, advocacy, nonprofit management and philanthropy.

As a creative leader in times of challenging organizational transition in both the US and UK, Andrew has extensive experience working closely with teams of volunteers and staff while acting as an agent for change. Andrew utilizes his strong analytical skills when leading and encouraging others through the process of innovation and transformation.
