

Foundation Board Management

CERTIFICATE SERIES

Instructor:

Betsy Chapin Taylor, FAHP

[ABOUT BETSY](#)

February 24 + March 10, 24, 2021
11:00 a.m. – 3:00 p.m. ET

Cost: \$3,950/person

This executive education course is limited to current site or system chief philanthropy officers or foundation presidents. Each attendee will be provided with a curated selection of pre-reading materials and customizable board management tools. There will be leadership assignments between sessions. Each series is limited to 12 total attendees to be conducive to robust discussion and individual engagement.

CEUs: 9 CFRE education points

CFRE Certified Courses:

Supporting the High Performance Health Foundation Board

Explore core roles and responsibilities of the board of directors, understand the governance partnership of boards and CPOs and identify the importance of proactive commitment of time.

Exploring Elements of Governance

Understand the basic tenets of good governance, identify board legal obligations and explore theories of and approaches to good governance.

Advancing Board Member Selection and Onboarding

Determine how to advance proactive board member nomination and selection, utilize competencies and characteristics to guide selection and gather best practices to honor diversity, equity and inclusion in selecting and onboarding leaders.

Creating an Agile and Effective Board Structure

Understand effective board and committee structure, optimize the tenure and engagement of various member types and enable effective leadership selection and succession.

Structuring the Successful Health Foundation Board Meeting

Learn how to enable effective communication and record keeping,

create an environment conducive to success and run effective and action-producing meetings.

Advancing Health Care Philanthropy

Determine how to make the case for health philanthropy, understand the leverage, influence and credibility of boards and align roles and support to enable board member success.

Leveraging Effective Board Member Evaluation

Understand the rationale for consistent board member evaluation, explore various approaches to board member evaluation and utilize board input to elevate board practice and performance.

Planning the Board Retreat

Determine how to evaluate and consider the rationale for a board retreat, identify and prioritize objectives of the event and create an environment conducive to success.

Navigating Challenging Board Situations

Learn how to handle difficult situations with challenging board members, navigate accountability to both the health care CEO and board and bridge the health care foundation and hospital governing boards.
