Becoming the Leader You Aspire to Be

How do you move from the type of leader you are today to the type of leader you aspire to be? Answering these questions will help you begin to elevate your leadership skills:

1. What professional promises have you made yourself that remain unfulfilled?
2. What barriers stand in your way to achieve your promises and goals?
3. How can you remove those barriers (hint: just start with one at first)?
4. What are your strengths that are beneficial in leadership (personal and professional)?
5. What gaps or areas of improvement can you identify and grow (personal and professional)?
6. What steps can you take right now to elevate your leadership skills?
